Well behaved in the yards. No need for a stick, any yelling or raising arms. Just walk through and talk to them. 4 Heifers did become slightly anxious after stepping onto the shiny aluminium scales, listed above as slightly stirry. Very quiet in the yards & small holding paddock when taking photos.

Assessor Comments	If you're looking for a class line of future breeders, this is them. Tops of their drop with just a small tail removed. These are lovely natured, classy young Heifers. Very pretty, soft faced females, with an easy doing style, and kind, maternal nature about them. Females with 'look at me' presence. Long barrelled with a good deep girth and plenty of width across their backs. Out of a large framed, core breeder - Rossrich/Fernhill Blood matrons by a top quality Dunoon sire. Very smart young ladies that would improve most commercial herds, or be the pride of anyone's paddock if you're for a 'start up' line of breeders.
