Any Access To Bulls or Stags?

To vendor's best knowledge, this lot has had no access to bulls or stags.

Temperament	Quality Grades		Store Condition		Paddock

	Slightly Stirry: 3 head		Slightly Stirry: 5 head		
Vendor states that they are normally very good to handle however a few did not seem to like Pink shirts when they were					

assessed and got quite nervous in the smaller yards and crush. Settled down somewhat when back in the holding yard after weighing. Cattle are full of feed and looked after very well. This also added to their slightly agitated state. In the paddock they follow the vendor around.

Assessor Comments

Annual sale of PURE Hazeldean heifers on account of the Cochrane family. An outstanding line of 25 heifers that would be ideal to join for spring calving. A most productive farm and cattle have not had a bad day. They are top notch weight for age and would compliment any Angus herd.
