	Heifers are very quiet and a pleasure to handle, Heifers were easy to handle and were very comfortable for us to move through them and to move them through the yards.			
Handled With	Bikes , On foot			
Assessor Comments	A very good line of EU accredited Angus heifers, vendor bred, Dollar Angus blood. Heifers have plenty of breeding behind and will grow into a very good line of medium to large frame cows. they are ready to join to the bull of your choice, heifers are fit and healthy as all husbandry in spot on, very quiet and a real pleasure to handle, heifers have had plenty of hay given to them over the tough autumn and winter and now with plenty of spring flush in the feed they are bounding away and averaged 402 kg curfewed weight. These heifers would be an asset to any herd as a top up in numbers or a small farm wanting to start out with some quiet quality animals.
