Assessor Comments	On offer is an exceptional line of Angus X Angus steers. These steers show excellent frame, bone and weight for age. they present in store condition and compensatory gains are expected. These steers show no bloom and have been weaned for three months they would be suited as backgrounders for someone to grow into heavy feeder or Jap Ox export markets.		

Assessor	Please note approximately three steers with old blight scares/slight blue eye. Will Loudon (Level 1 Accredited)
