Assessor Comments	On behalf of the Sturgess family at Chinchilla, Gilliland LIvestock Marketing are very pleased to offer this very good line of angus x angus steers. These steers present very well and have a very good temperment and are a pleasure to handle. They averaged 280kg with a bottom weight of 257kg and a top of 300kg across vendor scales. NB 2 head showed signs of old blight scaring and 4 steers have a small wart above nearside eye. If you are looking to buy quality angus x angus steers these should be on the top of your list, they are excellent to handle in the yards and are in store condition with plenty of frame, and will power ahead over the next few months;
