Assessor Comments	Angus and Angus x heifers that are starting to clean up in the coat and power ahead. Heifers are of good frame and not carrying excess condition ideal to go onto feed. A draft of these heifers would be tidy to join up and add to existing herd. Majority of heifers weighed 320kg - 350kg nothing under 290kg @assessment. Heifers are offered delivered to Singleton saleyards. 24Hrs notice required.
