Assessor Comments	A well presented line of Angus steers out of Hazeldean cows, these calves are the product of an AI program to hazeldean P16 & K416, with a son of Te Mania Emperor used as a back up. These steers would be ideal to take on to feedlot entry weights or further to an MSA slot. These steers carry plenty of frame. Please note vendor has 3 other lots in the same sale. Odd steer noted with old pink eye scar
