Assessor Comments	Front paddock pure bred Charolais heifers from top bloodlines that are at an ideal weight to join to the bull of your choice, heifers were purchased from Kenmere Charolais with the intention to keep as future breeders, are now only being sold as vendor has changed farming focus and no longer requires this line but doesn't want to see their breeding qualities go to waste in the fat market. females with all the right attributes like this line's temperament, genetics, frame, structure and softness do not come along very often so here is your chance to secure quality Charolais heifers ready to join, be proud of and to have for many years to come. buy with absolute confidence that you are buying some of the best. By Sires including - LT Badge, WC in the Zone, Kenmere Maximus, Kenmere Doc Silver and Kenmere Fire Water.
