Assessor Comments	Cadell Pastoral are offering 25 Red Angus steers. These are the Pure Red Angus Steers. That are all sired by Registered bull Goondoola "Paramount PSPP04". Cadell Pastoral have been breeding Red Angus for 8 years, originally in Tasmania before transitioning to Dhurringile. One of the main attributes that drew them towards Red Angus was temperament and positive growth. These calves have been weaned up properly and appear to have handled it very well. They present with good shape and muscle yet with plenty of scope, Having come from large frame cows. Really good carcass calves, would really preform in a back grounding/feedlot situation.
