Assessor Comments

85 Backgrounder Angus Heifers, purchased Ex Tasmania in March from Surveyors Bay & Connorville. Heifers are Landfall & Quarterway Bloodlines. Heifers have shown terrific weight gains in the previous month and would continue to power forward if shown correct nutrition. All heifers were all weighed 300kgs + (Full) and present as a very even line. Reluctant

sale due to tightening of spring and a dry finish, vendor had aimed to target feeder markets. Vendor does not own a bull. Perspective buyers, bid with confidence.
