Assessor Comments	This is an excellent opportunity to secure a nice line very well bred heifers bred out of the Hassell Trading Trust herd. These heifers are bred out of very large Sim x Angus cows and will grow into big cows or heavy heifers if shown the right feed. The original herd was Simmental/Angus and only Nampara Angus bulls have been used for the last 12 years. More recently a couple of Sim/Angus bulls have been purchased off Woonallee stud. These heifers come highly recommended.
