Handled With	Heifers were a pleasure to handle in yards with vendor being known for great animal temperament On foot
Assessor Comments	Well bred high quality heifers ready to join to bull of choice. These Heifers have plenty of breeding behind them and would be an asset to any breeding enterprise. Heifers present in forward/store condition and would normally be retained as long term breeders but being offered due to seasonal conditions. Shown good feed these Heifers will continue to grow out into productive maternal mothers. An ideal opportunity to secure long term quality breeders or turn out in feedlot.
