Assessor Comments	Buyers an opportunity to buy a run of 76 VGQ PCAS eligible Santa X & Charolais X Steers that are being offered delivered to Roma or Morven yards. These steers have all the right bloodlines and genetics and are best described as medium to large frame relative to age. This line of steers have been well educated by vendor through yards and will remain on good quality hay until delivery. A very reputable line of cattle for sale that show good bone, length & plenty of frame that will be ideal to put away on grass and grow out to heavier weights. A line of steers that will see extremely good compensatory gain in them given the chance on crop and will make excellent heavy feeders or bullocks. At assessment 1 x head were seen with some ring worm on head. Buyers some steers were marked 50 days ago but have all healed up well and are genuine steers. **VENDOR IS OFFERING TO DELIVER CATTLE TO ROMA OR MORVEN**
