Assessor Comments	Buyers an opportunity to buy a run of 79 VGQ PCAS eligible Ultrablack & Santa X heifers that are being offered delivered to Roma or Morven yards. These heifers have all the right bloodlines and genetics and are best described as medium to large frame relative to age. This line of heifers has been well educated by vendor through yards and will remain on good quality hay until delivery. A very reputable line of cattle for sale that show good bone, length & plenty of frame that will be ideal to put away on grass and grow out to heavier weights. A line of heifers that would suit to background for a feedlot or carry on as future breeders. At assessment 1 x heifer was seen with rub marks on shoulders & 1 x heifer with slight swamp in back. **VENDOR IS OFFERING TO DELIVER CATTLE TO ROMA OR MORVEN**
