| Notable Traits        | These steers were quick to move through the yards and crush. 20 steers became agitated in the weigh box & moved quickly when coming out of the crush but settled back into the mob again. In the yards under pressure a portion of the mob would become agitated and move quickly. For experienced stockmen these cattle can be handled without trouble. Cattle were considered to be quite in the paddock. Please note vendor has 3 other lots on offer this sale.                                                                                                                                                                                                                                                                                       |                          |                         |       |                 |                |                |                |                          |                          |                         |      |                |      |      |     |  |  |  |  |      |     |  |  |  |  |
