	Cattle handled well in paddock and larger yards but like a bit of room in the smaller yards. Nothing aggressive and have plenty of block in them		
Handled With	Bikes , Dogs , Horses , Vehicles		

Assessor Comments	Well bred Angus steers that are doing well on good feed. These are the steer calves out of PTIC heifers purchased off Auctionsplus last year. Steers show good bone and depth and should continue to gain weight quickly on either grass or grain. A grass fed declaration is available upon request. There is one Red Angus steer in the assessment which can be omitted on request.
