Assessor Comments	168 Angus Heifers to be sold as 2 x 84 and delivered as a run out the gate. Heifers were bought out of the Yass Angus breeders sale in May 2024. Heifers have done extremely well since arriving into a wet winter and spring. Heifers show plenty of quality and would be great heifers to join to the bull of your choice. Heifers were weighed to all be 350kg and heavier at assessment. Weight range at assessment was 350-460kg to avg 384.9kg after an overnight curfew. Heifers present in a fresh healthy condition with most having lost their winter coat. Noticed a number of heifers that have a lump from where they were vaccinated.
