Assessor Comments	A nice line of heifers that would do up very quickly on the right paddock. They would also be fine to join to bull of choice from now onward. From a large framed cow herd of Angus & Santa x cows by a well bred large framed Angus bulls of Kenny's Creek blood lines. Average of 358kg at assessment, will hit desired weights in the blink of an eye. Also appealing as feeders. 12 steer brothers in same sale.
