	Heifers were ok to handle. They didn't appreciate a lot of pressure though went through the race and weigh platform reasonably well. Heifers settled well once in mob again

Assessor Comments	Small good quality line of F1 Wagyu heifers. Heifers are currently performing well and are well grown for their age. They represent the complete drop(small tail retained) of the vendors F1 cattle and this represents an annual sale with quality Trentbridge genetics bred into these cattle. Please note vendor also offering their F1 steers in the same sale.
