Assessor Comments	Quality line of vendor bred Angus heifers. These heifers will mature into highly productive breeders, which presents a good opportunity for someone to add these heifers into their breeding herd. Heifers are sired by quality Bongongo, Crawford & Reiland Angus sires & bred out of large to medium frame Reiland Angus blood females. Heifers on offer are the vendors complete drop from spring 2023 with approx 5% tail removed at assessment. These heifers are eligible for grass-fed programs and are anti-biotic free. Buyers, please note that this is an inter-lot offering between Father & Son, the following steers are being offered off two PIC numbers from adjoining properties operating under the same management practices.
