Assessor Comments	Excellent quality draft of heifers ready to join. These heifers would be a great opportunity for someone to take away and put into their Angus breeding herd as a herd start up or as additional breeders. These heifers are not overdone with condition weighing 370-460kg to avg 378kg curfewed. The Milong cattle are noted by previous purchasers as doing very well and this consignment should prove to do the same. Very good quality cattle that should suit the most discerning Angus breeder.
