	Well behaved in the yards. No need for a stick, any yelling or raising arms. Just walk through and talk to them. 3 steers did become slightly anxious after stepping onto the shiny aluminium scales, listed above as slightly stirry. Very quiet in the

Notable Traits	Traits 1 Head Small splash of white on flank
Assessor Comments	If you're looking for a small, top class line of baby bullocks - this is them. Tops of their drop, soft muscling and super easy doing. These are shiny, forward condition boys with plenty of 'look at me' about them. Long barrelled with a good deep girth and plenty of width across their backs, Steers that were designed to carry a power of meat and yield like steam. Out of a large framed, core breeder - Rossrich/Fernhill Blood matrons by a Dunoon Angus Bull. Ideal little lot of steers with one foot firmly on the till for the short term investor, just looking to place those finishing Spring touches!
