Assessor Comments	This is the annual sale of the Touchstone Spring Drop Banquet Blood Steer Weaners. These Steers are some of the quietest cattle I handle and would suit anyone looking for quiet cattle to put in the paddock. They are a true September/October 2023 Drop and are in forward condition. These Steers have been doing over 1kg weight gain since last weighing and are ready to explode on good feed and with spring feed growing these cattle will do well going forward. These Steers certainly have the breeding behind them to grow. The feedback from past purchasers certainly proves this. Please note Touchstone have 14 same age heifers in this sale.
