| Assessor Comments | An attractive line of yearling Heifers that are of moderate frame with tremendous weight for age. Quality well bred cattle with depth, solid bone and ample length that present in very good forward condition. Ideal Heifers to fit in to a breeding program that will mature into quality matrons, alternatively carry on to heavy weights and finish for the trade on either grass or grain. Renown doing cattle that have the capability and genetic power to perform to expectations and fit into any discerning cow herd ( no heifers have been retained from this drop ). 6 Heifers were noted as having small pin head warts on their neck and head, 3 Heifers have white udders and 2 Heifers carried white on to their belly, while 1 Heifer had white on the underside of her brisket. #Note the Vendor has 2 lines on offer in this sale ( 1 steer and 1 heifer ) |
