	Nice quiet cows to handle, were no fuss throughout entire process. Over many years of handling cattle from "Inchidoney" temprament has never been an issue. Well handled and educated cattle.		
Handled With	Bikes , Dogs , On foot , Vehicles		
Assessor Comments	Neat smaller line of younger Hereford cows and calves. Principally 2019 drop cows with one 2016, one 2020 & one unidentified. Cows in fresh condition with good bobbies at foot. Cows have had all their health treatments, calves are unmarked apart from two older calves in the mob which have been. Part of a genuine herd restructure which has resulted in their need to move on. Cows with plenty of life left in them certainly would slot into any whiteface operation. Worthy of close consideration
