Handled With	Heifers on their first calf that displayed very good manners throughout the whole assessing process. I would suggest cattle handlers of most abilities would comfortably handle these heifer and calf outfits. Bikes , Dogs , Vehicles		
Assessor Comments	Very attractive line of Shorthorn heifers on their first calf with calves at foot sired by top end Bongongo Angus sires. Heifers have very good frame and given the opportunity will develop in to larger framed roomy breeders. Heifers were bred out of volume females and given the opportunity will develop in to excellent mothers. Heifers were very good to handle throughout the assessing process, are milking well and doing a very good on their unmarked calves and are not rejoined.
