Assessor Comments	Exceptionally well bred line of Leeds Shorthorn & Texas Angus cross heifers with calves at foot. Heifers present in outstanding condition with fresh sappy calves. Heifers are of medium to mostly large frame. These females have had a fantastic start as breeders with being presented in fresh forward condition and are doing a fantastic job on their calves. Calves were sired by high indexing Leeds & Texas Angus bulls. Rejoined to Leeds Lancelot T8 from August 1st. Bull will remain in with heifers until delivery. Photo of bull in photos.
