Assessor Comments	On offer is lovely quiet line of 15 Angus/Fries x cows with young Angus calves at foot. Neat single deck load these cows are very quiet to handle. They were purchased 2 yrs ago and now only on their 2nd calf, in the prime of their life. They have plenty of milk underneath them and will rear good vealers. Calves are by quality Angus bull. if your looking for lovely quiet cows to rear good vealers these are for you. Getting hard to find these good F1 mums.
