	Excellent to handle throughout the yards, extremely quiet. Only two moved around in the crush possibly due to the noise of the weigh platform.			
Handled With	Bikes , Dogs , Horses			
Assessor Comments	An excellent draft of quality breeders, ideal for a starter herd or astute cattleman to add quality females to their herd. This herd has had a strong emphasis on fertility, temperament and production for 30 years. Fertility is exceptional in these females with the vendor having a 'no second chance' policy. Vendors have operated on a set joining to allow strong decision making to take their herd forward. This draft of cows come with the agents highest recommendation.
