Assessor Comments	Buyers today we have to offer 10/10 Limousine Cross Cows & Calves. This is a very neat line of Cow & Calf units. Buyers as you will see in photos and assessment these Cows have plenty of frame and size and will make great turn over units. The Cows average 509kg and are doing a tremendous job of their Calves as seen in the photos. The Calves are a very healthy average of 123kg with a break up of 7 Steer Calves & 3 Heifers Calves.
