Assessor Comments

A Very good line of young proven breeders. These cows have raised a calf for the vendor and is on to the second one at foot which they are doing a great job on them. The Cows have not been rejoined and are ready for your bull of choice. All Calves have been marked and vaccinated. a good honest line of cows that are ready to keep on the "do". Cows are in there working clothes and have a big frame to fatten into. CALVES at foot are Sired by registered Bongongo Angus Bulls
