	Very well handled cows and calves. The cows are very quite to walk through and show no aggression. When split from the mob the cows run back to the mob and settle quickly.

Assessor Comments	Quality line of 2nd Calvers bred from a well known herd. These cattle are pure Hazeldean blood and the vendor purchases stud bulls at the annual sale with a focus of do marbling and do ability. These Cows are of Medium to large frame and will grow out to be 650kg plus cows fat. The cows are in forward store condition and are doing a great job on their calves as all calves show freshness. All Calves are marked. 5 of tail end cows and calves were removed at assessment.
