| Assessor Comments                     | Herd dispersal. 18 x 18 Composite/Red Angus X cows and calves. By registered composite bulls. Calves would usually be sold in local store or fat market. Calves averaged 176kg. Good framed cows doing great job on calves. Can expect progeny to meet expectations. Vendor has further lots in Weaner and Yearling Sale.                                                                    |                                           |                                     |
| Assessor                              | <b>Jacob Rayner (Level 1 Accredited)</b>                                                                                                                                                                                                                                                                                                                                                     |                                           |                                     |
