Assessor Comments	A good run of principally Angus heifers and calves. Heifers are in strong store condition and are doing a good job on their sappy calves. Heifers were due to be kept but due to vendor bred cattle coming through have decided to be sold. Heifers represent an ideal opportunity to purchase cattle with their whole lives ahead of them or to fatten and trade in the autumn markets. Calves marked at assessment. Please note: Agent can arrange freight to most areas including weekly market trucks to Wagga. 2 red calves (possibly sired by Shorthorn) 1 BB calf.
