Assessor Comments	4x3 Heifers/Young cows with calves that would be great future breeders for the local area or smaller producer. They display great temperament, are attentive mothers and have a long breeding future in front of them. 3 calves at foot sired by Doctors Creek Speckle Park bull. The Angus/Angus PTIC cow is due to calve shortly, to the same sire, and is uddering up nicely. Only being sold due to loss of lease paddock. Please note vendor also has 2x2 Cows & Calves in same sale.
