Assessor Comments	Hereford Cows, with Black Baldy Calves A magnificent line of Hereford Cows with Black Baldy Calves at foot. These cows are vendor bred from the D-Registered J & B Hereford Stud. Please note these cows were EU accredited until sent on agistment, but calves still have their EU status. Cows have very good udders with plenty of life still ahead of them. Please note there is one cow with a lump on its neck, which has been treated by the vet, which can be left out if not wanted.
