| Assessor Comments                     | A great opportunity to buy a line of well bred Young Angus cows with quality Blad Blair sired Angus calves at foot. Heifers were purchased in two lines back in 2021 & 2022 as yearlings ready to join & as PTIC units from southern N.S.W & the A.C.T from Windridge Farms and Coots Creek Angus off the Auction Plus Platform. Heifers were bred out of a Quality grade herd of females that were predominantly Rennnlea, Lawson & Bongongo Angus Bloodlines. cows are large frame and have just finished calving, calves present in fresh and sappy condition (calves yet to marked). A great line of young breeders with all of the hard work done, Ready to rejoin right in the slot. These are great units to slip in to any ones Angus breeding program or a great foundation for any one to start out with their own line of breeders, with a cracking Spring and summer in front of us these Young cows & calves are not to be missed. Please see another line of the same age vendor bred females in this same sale. |                                                                        |                                                                   |
