Assessor Comments	A great opportunity to buy a line of well bred Young Angus cows with quality Blad Blair sired Angus calves at foot. Females are vendor bred and bred from a foundation that carry Speriby North, Bald Blair, Booroomooka, Wattle Top and Glenavon Angus bloodlines. Cows are large frame and have just finished calving, calves present in fresh and sappy condition (calves yet to marked). A great line of young breeders with all of the hard work done, Ready to rejoin right in the slot. These are great units to slip in to any ones Angus breeding program or a great foundation for any one to start out with their own line of breeders, with a cracking Spring and summer in front of us these Young cows & calves are not to be missed. Please see another line of the same age females from the same venor in this same sale to make neat B-Double of young cows and calves if your chasing numbers.
