Assessor Comments	***SHARCORRAHDALU WILL OFFER 157 AUTUMN CALVING PTIC ANGUS HEIFERS OVER 8 LOTS IN THIS SALE!*** To be offered in 2 even lots 21 head & 22 head, run out the gate totalling 43 PTIC heifers. These heifers have been foetal sexed and identified as 100% male calves. This offers the purchaser the rare advantage of being able to then market 43 AI calves; same sex, same industry leading sire & same age. These heifers show excellent breeding, type and present in ideal condition for this stage of the pregnancy. They are all preg-tested in calf to an elite AI Sire in Shacorrahdalu Tank T385 whose quality is of the highest calibre and has just been selected for the Angus Sire Benchmarking Program (ASBP) Cohort 15 and has 16 progeny recorded for birth weight and gestation length. This is an opportunity to secure outstanding genetics and a line of heifers that will mature into superb matrons. NB: An odd heifer with bluespot/Pinkeye scarring not seen as detrimental.
