Assessor Comments	On offer is 19 very quiet Speckle park x cows that would fit on neat deck load. These young cows are only on their 2nd calf in the prime of their life. They have been preg tested in calf to Speckle Park bull and cows are starting to soften. They were very quiet to handle and work. They have all reared a good vealer month ago and now are in forward condition ideal for calving. Included in mob is 1 red Speckle cow. Same vendor has 2 lots of cows and calves in same sale.
