Assessor Comments	Very good line of well-bred Alpine Angus and Welcome Swallow Blood Angus Heifers with calf at foot, PTIC back to Tabletop Angus Bulls. These Heifers were purchased on A Plus with the intention to join and calve down then reoffer back to the market. All heifers calved unassisted. 3 in 1 unit that are predominately large frame, putting everything into their calves. 22 of their sisters with CAF in same sale to make 55 of same line. Please call with any questions.
