Assessor Comments	Good line of Alpine Angus and Welcome Swallow bred Heifers with CAF by Table Top Angus Bulls. All frame and putting everything into their calves and running back with Table Top Angus Bulls. These heifers were purchased on A Plus with the intention to join and calve down then reoffer back to the market. All heifers calved unassisted. 33 of their Sisters with CAF and PTIC in the same sale so could put 55 of same line together. Any questions please call.
