Assessor Comments	A/c WJ & PM Simpson offer 12x13 Angus X Friesian 1st & 2nd calving cows with calf at foot. Cows present in forward store condition and were assessed to be doing a brilliant job on their calves. Cows present as a medium frame cow producing substantial amounts of milk. Calves present very fresh and sappy with considerable amounts of energy. These are young females with all their lives ahead of them which would be a perfect article for veal traders to add to or start new herd.
