Assessor Comments	Front paddock middle aged Shorthorn cows that have all the hard work done. These cows were purchased as hfrs from Acton Park shorthorn stud at Guyra with no expense spared with genetics. They have calves from 2-5mths on them and rejoined back to the white shorthorn stud bull since calving so a great opportunity to get a superior 3in1 genetic package. The bull calves have not yet been marked but can be at the request of the purchaser.
