Notable Traits	Traits 1 Head White on udder	
Assessor Comments	4x4 extremely quiet second calvers. Bred out of Rennylea and Pathfinder bred bulls, these moderate framed young cows are a pleasure to handle and are doing an excellent job on their fresh calves coming out of a difficult winter. The Shanley cattle are bred with a focus on fertility, temperament and structure and these units are a great representation of those characteristics. Selling due to a management shift to Autumn calving. Young cows ready to be rejoined and have many productive years ahead of them.
