Handled With	On foot , Vehicles		
Assessor Comments	Very quite line of Highlands Angus cows and calves that have their 3rd calf at foot. They have been re-joined to the Prime Angus bull. The calves are March April May drop and are sired by outstanding Riga Angus bulls. Cows have been running with the Prime Angus bull. Recommended for their temperament and will not disappoint in performance. Buyers please not one heifer calf has a white dash under her jaw.
