Assessor Comments	On offer are 22 quality Angus Heifers that are PTIC for a Feb/Mar 2025 Calving. Heifers are renowned Rennylea Blood and are Autumn 2022 drop. Joined to Rennylea Bulls T1116 and Q690 from the 30/04 - 25/06 (8 week joining). These heifers were selected for vendor's breeding program originally, however due to a decision to reduce herd numbers are up for sale after having their first calf. An excellent opportunity to add quality genetics in these proven breeders to any existing or new Angus program.
