Assessor Comments	Lead draft of the Vandeleur young ewes. Stud bred, these ewes present in a fresh, forward condition and are typical of the Rices Creek sheep, displaying stretchy, plain bodies & clean faces. They hold excellent wool qualities and offer the opportunity to access some leading genetics to bolster any flock. These are a very well presented line of ewes and will not disappoint the purchaser. Seconds also in this sale, making a neat 6 decks of well bred ewes to put together.
