Assessor Comments	A top line of genuine 2 yr old ewes that have not had the opportunity to a ram in their life, and are a complete drop with a small tail removed. These ewes are bred out of top Kamora Park sires purchased ex Adelaide Show sale and also the Kamora Pk on property sale. They have a real classy type of medium crimp wool on their back that is also well nourished, These ewes could easily be joined back to the Merino or to any XB sires.
