Joining Details	Not Station Mated		
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.		
Assessor Comments	223 4.5yr old Poll merino ewes which are the last of the DT+EJ Kerr Poll Merinos ewes out of karoonda. These ewes are a complete drop and have been presented outstanding in what has been a challenging season for the area. The ewes show a good medium to large frame with a nice plain body. Ewes will produce a nice white wool with a well defined crimp. The flock avg is 18.5-19 micron and the ewes will cut a avg of 7-8kg. These ewes will not disappoint and will fit into any breeding operation.
